Professor Ralph Flenley,
University of Manitoba,
Winnipeg, Man.

Dear Professor Flenley:

A wire was sent to you yesterday announcing that Professor Wrong has recommended you to me for an appointment in the Department of History, the appointment to date from July 1st, 1920, which is the commencement of our academic year.

I have much pleasure in announcing to you that I will recommend to the Board of Governors at its meeting on May 19th that you should be appointed Associate Professor in the Department of History at a salary of $3200, it being understood that if Professors Hodder Williams and George Smith get increases this year you will begin with them at the same salary that they receive. At present the scale of salary for the grade of Associate Professor is from $2700 to $3000 by annual increments of $100. It may be, however, that this scale will be raised at the beginning of the next academic year.

With kind regards, I am,

Yours sincerely,

President.

The President
University of Toronto

Dear Sir Robert,

I sent a wire to you this day to say that I accepted your offer of an Associate Professorship in the Department of History in the University on the terms specified in your letter of 1st inst.

I wish to thank you not only for the offer, but also for the terms as for the kindness and courtesy you have shown me in the whole matter. The pleasantness of our personal relations here

was one of the things which made me weigh the matter as carefully as I could before accepting. No man, I suppose, knows his back on the west without a certain amount of hesitation. I shall endeavour to do my best to ensure that future interests of Toronto's sake, theirs after and my decision have not been mistaken.

Yours sincerely
Ralph Flenley
